THE JOHN LYON SCHOOL

# Learn English

The English Studio is an established Language School accredited by the British Council.

## Teachers

We only recruit highly qualified & experienced teachers who are motivated, energetic & dedicated to providing a memorable learning experience to all young learners. All our staff are specifically trained to work with this age group.

## Personal Tutors

Every student will be assigned a personal tutor

who will assist them in all aspects of their learning, accommodation & extra curricular activities.

## The Classes

These will concentrate on grammar, vocabulary, phrases & pronunciation. Teachers will ensure that students will be able to use what they learn when speaking & writing English. There will also be a weekly test to check what they have learnt. Students will also complete a written project to take back home with them as a record of

their time in London. This will allow parents to share in their child's experience & see what they have done during their stay.

## Level Testing

Students will have an entrance test to ensure they are placed in a class of the correct level. They will be given a certificate during a presentation ceremony at the end of their course. The certificate will show the duration of their course & the level attained.
